

Summer Internship Programme 2025 at the National Institute of Technology Calicut (NITC), Kerala.

Applications are invited from eligible Students for Internship during summer vacation 2025 or Project Internship in various Laboratories at NIT Calicut as per the following conditions:

1. The Summer Internship Programme (SIP) will be generally offered for a period of 30/60 days during the summer vacation between May 1 - July 10, 2025, in line with the academic calendar of NITC. Selected candidates may be permitted to do projects using the specific laboratory facilities in certain departments. The details of the research domain and vacancy positions are available in <https://placement.nitc.ac.in/internshipinstructions>

2. Interested Students from CFTIs/AICTE/UGC/CoA approved Institutes need to apply in the prescribed format, within the stipulated time.

3. **Eligibility:** Students who are completing the **Second/Third year (or Fourth/Sixth Semester) B.Tech. / BE**, or **Fourth/Sixth/Eighth Semester of B. Arch.** and students completing the **First Year (or Second Semester) of MTech./ ME/ M.Sc./M. Plan/MBA**, having a **CGPA not less than 6.5 (out of 10) OR an aggregate mark, not less than 65%, up to and including the Last Semester** (for which results are published so far) are eligible to apply. Only regular full-time Students with no back papers and no disciplinary action from the parent institute are eligible to apply.

4. **How to Apply:** Interested Students need to fill up and submit the Form with the necessary information and documents on or before 5.00 PM on 26th March 2025 (Wednesday). There is a registration fee of INR 118 at the time of registration.

Link for Applying: <https://placement.nitc.ac.in/internshipinstructions>

5. **Selection Process:** The selection of Interns will be done by the respective departments of NITC based on the following parameters but not limited to:

- Academic performance in university examinations (CGPA / percentage of marks).
- Paper presented if any at conferences/ workshops, projects already executed/completed.
- Academic/co-curricular contests participated and other awards/distinctions obtained.
- **Performance during a personal interview conducted (if any).**

List of selected candidates and their mentors (from NIT Calicut) will be published on the Institute website (<https://nitc.ac.in/>)

6. Terms and Conditions

a) Candidates selected for Internship will be assigned to a Regular Faculty as Mentor or Supervisor. The Mentor/Supervisor shall ensure that the Intern is doing the Internship properly and progress is satisfactory to achieve the target proposed.

b) All the cost of Consumables/Chemicals, other charges and contingency costs if any for the completion of the Internship project/work shall be completely taken by the Intern. No amount shall be sanctioned from the Department/NIT Calicut.

c) Fee payable (Non-refundable):

Registration Charges (payable at the time of registration)	Rs. 118 (Inclusive of GST @18%)	
SIP Fee (payable after the selection confirmation)	2-Month Internship	Rs. 5900 (Inclusive of GST @18%)
	1-Month Internship	Rs. 3540 (Inclusive of GST @18%)

How to Pay: Payment is to be done using the QR code provided. The screenshot of the transaction done along with the transaction number is to be uploaded. Only UPI Payment method is accepted.

d) NIT Calicut **WILL NOT** provide any financial assistance to the Interns. Funding, if any, will be met from the project fund of the mentor faculty. The Interns will have to meet the expenses for their travel, accommodation and food on their own. Shared accommodation may be provided to the Interns in NITC Hostels and food from the Student mess, if available. This will be on a payment basis to be paid by the Interns.

e) Temporary ID Cards will be issued to the Interns.

f) The Interns will be provided access to the Central Library (for reference only), Digital Library, and the Central Computer Centre of NITC.

g) The Interns are expected to have Medical Insurance coverage of their own (proof of the same or a self-declaration to that effect, shall be submitted at the time of joining).

h) Even though the Summer Internship is generally for a duration of 30/60 days, NITC reserves the right to discontinue the programme at any time for reasons deemed to be valid by the Institute, without assigning any reasons. Also, NITC reserves the right to discontinue the project Internship Programme at any time for reasons deemed to be valid by the Institute, without assigning any reasons.

i) All the Interns shall strictly follow the rules and regulations of the Institute / NITC Hostels. The “Students’ Conduct and Disciplinary Code” (available at https://nitc.ac.in/imgserver/uploads/attachments/Students-conduct-and-disciplinary-code-2022_b5a56f11-878a-4c54-b2da-4c552fa8f6c0_0.pdf) of the Institute will be applicable to the Interns as well. Any violation will lead to immediate termination of the Internship and the matter will be reported to the parent institution. In addition to this, appropriate action will be taken against the Intern as decided by the Director, NIT Calicut.

j) Selected Students may avail Online / Offline / Hybrid modes for this Internship upon receiving approval from the Mentor. Kindly indicate this in your application.

k) Upon successful completion of the Internship, the Interns will be awarded “Internship Completion E-Certificate” from NITC.

7. Expected Outcome

a) Upon completion of the Summer Internship programme, the Student has to submit a brief report of the work done by him/her to the mentor faculty. **The approved report has to be uploaded by the mentor faculty through a link provided by the CCD**, which includes the following: title, objectives methodology/design, Implementation (experimental set up/hardware/algorithm/simulation etc.) details, results or product developed. **Only after the receipt of the report, CCD will recommend for an Internship Completion Certificate which will be issued as an E-Certificate.**

b) The Student has to give a Presentation about the work done in front of the mentor/supervisor and panel of evaluators in the respective Department/Institute level Committee (if any).

c) Upon completion of the Internship, the Student is expected to come up with a tangible contribution / innovation such as a novel product / design / concept / software / tool / experimental set-up, which in turn can lead to a patent or publication.

d) Project Internship will be permitted under the supervision of a regular faculty from NITC. He/She will be the guide or co-guide in addition to the guide from the parent institute.
