Junior Intern Journalist
May 2019 - June 2019 (2 months)
Kanpur Nagar, Uttar Pradesh, India

Perhaps the most challenging internships ever. My daily tasks included one English and one Regional news coverage that was different than the everyday news.

Weekly tasks included, covering stories that usually aren't given importance due to modern media culture. At least 3 story ideas per week were expected to be submitted which weren't in the mainstream news.

Education

Indian Institute of Information Technology Kalyani

Bachelor of Technology - BTech, Computer Science · (2019 - 2023)

St. Mary's Convent High School Kanpur

Intermediate (ISC), PCM + Computer Applications · (2006 - 2018)
