PROJECTS

Student Catalogue Management System.

- **Environment:-** HTML, CSS, Bootstrap, React JS, Node JS, Express JS, MySQL,
- **Description:-** The Student Catalogue Management System, aimed at improving student record management in educational institutions. Our responsibilities include designing the user interface, creating a secure database, and implementing role working as a team member and collectively we are focused on simplifying administrative tasks and enhancing efficiency.

Rent Connect — [Github Repository](#)

- **Environment:-** React Native, Node JS, Express JS, MongoDB, Rest APIs
- **Description:-** An app facilitating college students to share and rent items like food, stationery, books, and professional items. The project aims to enhance collaboration within the college community.

ACHIEVEMENTS AND AWARDS

- Completed 250+ coding problems on LeetCode, demonstrating strong problem-solving skills and proficiency in data structures and algorithms.
- Participated in AeroTHON 2023 Phase-1 a student competition focused on developing skills in designing, building, and piloting Uncrewed Aircraft Systems (UAS). Participants complete a full design-build cycle and compete in a final fly-off event.
- Awarded the Merit Cum Means (MCM) Scholarship twice for ranking in the top 10% among 120+ students in my branch, recognizing academic excellence and consistent performance.
- Successfully transitioned from the Smart Manufacturing branch to Computer Science and Engineering discipline because of having excellent academic performance in first year of B.tech.

EXTRA-CURRICULAR ACTIVITIES

- **Assistant Coordinator, Student Counselling Committee**
I provided guidance to 75+ students, tackling their academic, personal, and social challenges while ensuring a smooth transition into college life. My mentoring efforts led to a 20% increase in student satisfaction and improved retention rates.
- **Member, Jagrati**
Led a student initiative at IIITDM Jabalpur that provided free education to over 50 children from nearby villages. Conducted weekly classes and awareness programs, enhancing both academic and social skills. Organized 10+ events, ensuring continuous engagement and impactful learning experiences for the children.
